County Roads

Judge Wilhoite stated if someone has a private road that they want to be in the County Road system, there are regulations that require the road to be brought up to County specs and then the road supervisor will review it to confirm the road is up to spec. The other option would be for the Court to adopt an ordinance that would add the cost of the road to the tax bill of the property owners along that road. The Court would have to decide the requirements for the ordinance.
